

**LITLA RAUDKA FRA FITJAMYRI –687-**

Litla is a proven show mare, carrying Jelena to her first shows where they both did fabulously (the truck had a hard time getting all the medals up the hills!)

Her foals show her natural tolt, are very elegant and one sometimes gets the impression that one only need to put a doll on top and they would be just fine.

At the same time, Litla is also used in the riding school and loves the attention of kids, which proves her caring character.

Litla will be bred to Leikur fra Vindsdalur for a 2007 foal.

Born in 1992.
