

PRINCESSA FRA FITJAMYRI II-[CAN]1694-
Princessa fra Fitjamyri [CAN]1694, born 2001, is a 5 gaited silver dapple-sorrel mare. She impressed us when she came for training as a 4 year old. She was very cooperative, showed all gaits easily and liked every aspect of the work.

When Princessa came back for more training as a 6 year old, I was quite impressed with her speed and lightness. So - we were delighted when the chance to buy her came up (Thanks Ellen :) and jumped on the opportunity. Princessa is now in training for this year's international breeding evaluation and we hope for the best.

Princessa is a wonderful ambassador for her breed, showing her easy tolt and great character to people new to Icelandics. And, of course, her unique colour is the cherry on the cream.

She was evaluated in 2005 for conformation and her overall score of 7.93 was very good for a 4 year old! [Click here for Princessa's evaluation scores.](#)
