

UGLA FRA STEKKJADAL -959-[IC]89256524-UC-42 786

Born in 1989, Ugla has proven herself time and time again - her offspring Bjoert fra Vindsdalur was the highest evaluated horse on the BC 2005 evaluation. All her offspring show her easy tolt and wide movements. They are elegant with a nice willingness under the rider, and they have the true Icelandic attitude of "giving it all". We cherish her foals and her daughter Osk fra Vindsdalur is sure to be a great addition to our breeding program. In 2007, Ugla had a foal (Elding fra Vindsdalur) with sire Leikur fra Vindsdalur. In 2008, Ugla had a foal (Djasn fra Vindsdalur) to Stigandi fra Leysingjastoedum (see www.stigandi.us).

Besides being a broodmare, Ugla was successfully shown for several seasons, always came in the A finals. Sometimes her high, fiery willingness got the better part of her - but she always was a blast to ride and gave the rider a time of his/her life!
